## **Ask Me**

## **Elvis Presley**

Ask me if I wanted to caress you
And I'd confess
Ask me if I'm longing to possess you
I'll answer yes

Now that we're together
I could hold you close forever
And I swear that I would never let you go

There's no question that I care more than you Love me darling, just be mine completely And there's nothing I won't do if you Just ask me
