

## Come Along

Elvis Presley

Come along, come along, there's a full moon shining bright  
Come along, come along, we're gonna hit St. Louis tonight  
Spend your money looking at the chorus line  
Spend your money, win it on the number 9  
Take your sweetheart even though she's never been  
If she's worried tell her that you always win  
Come along, come along, there's a full moon shining bright  
Come along, come along, you're gonna win a fortune tonight

Hear the whistle, lady luck's about to go  
Is she smiling, maybe yes or maybe no  
Now's the time when nights are filled with sweet romance  
Don't be bashful step on up and take a chance  
Come along, come along, there's a full moon shining bright  
Come along, come along, we're gonna hit St. Louis tonight

Come along, come along, we're gonna win a fortune tonight
