## **Come Along**

## **Elvis Presley**

Come along, come along, there's a full moon shining bright Come along, come along, we're gonna hit St. Louis tonight Spend your money looking at the chorus line Spend your money, win it on the number 9 Take your sweetheart even though she's never been If she's worried tell her that you always win Come along, come along, there's a full moon shining bright Come along, come along, you're gonna win a fortune tonight

Hear the whistle, lady luck's about to go Is she smiling, maybe yes or maybe no Now's the time when nights are filled with sweet romance Don't be bashful step on up and take a chance Come along, come along, there's a full moon shining bright Come along, come along, we're gonna hit St. Louis tonight

Come along, come along, we're gonna win a fortune tonight
