Don't Ask Me Why

Elvis Presley

I'll go on loving you Don't ask me why Don't know what else to do Don't ask me why

How sad my heart would be If you should go Though you're not good for me I want you so

It's not the kind Of love I dream about But it's the kind That I can't live without

You're all I'm longing for Don't say good-bye I need you more and more Don't ask me why I need you more and more Don't ask me why
