

Don't Think Twice, It's All Right

Elvis Presley

There ain't no use to sit and wonder why babe
If you don't know by now
There ain't no use to sit and wonder why babe
If you don't know by now
When the rooster crows at the break of dawn
Well look out your window baby I'll be gone
You're the reason I'm movin' on
Yeah, don't think twice it's all right

I've headed down that long lonesome road, girl
Where I'm bound I can't tell
Goodbye is too good a word girl
So I'll say Fare thee well
I ain't sayin' you treated me unkind
You could have done better but I, I don't mind
You just kinda wasted my precious time
Oo, Don't think twice it's all right

Take it on

When the rooster crows at the break of dawn
Well look out your window baby I'll be gone
You're the reason I'm movin' on
Yeah don't think twice it's all right

There ain't no use to sit and wonder why babe
It don't matter anyhow
There ain't no use to sit and wonder why babe
If you don't know by now

When the rooster crows at the break of dawn
Well look out your window baby I'll be gone
You're the reason I'm travelin' on
Oh don't think twice it's all right

I'm headed down that long lonesome road, babe
Where I'm bound I can't tell
Goodbye is too good a word girl
I'll just say Fare thee well
I ain't sayin' you treated me unkind
You could have done better but I, I don't mind
You just sorta wasted my favorite time
Oo, Don't think twice it's all right
Wow

When the rooster crows at the break of dawn
Well look out your window baby I'll be gone
You're the reason I'm travellin' on
Oh don't think twice it's all right

I've headed down that long lonesome road, girl
Where I'm bound I can't tell
Goodbye is too good a word girl
I'll just say Fare thee well
I ain't sayin' you treated me unkind
You could have done better but I don't mind
Yeah, you're the reason I'm travellin' on

Oh don't think twice it's all right

Take it on

Where I'm bound I can't tell

Goodbye is too good a word girl

So I'll say Fare thee well
