

## Fairytale

Elvis Presley

I'll pack up all my things and walk away,  
I don't want to hear another word you have to say  
I've been waiting for so long  
I just found out there's something wrong  
And there's nothing what get better if I stay

There's no need to explain anymore  
I tried my best to love you, now I'm walking out the door  
You used me, you deceived me,  
And you never seemed to need me  
But I'll bet you won't forget me when I go

Seems I've been lost in a dream  
Pretending that you care  
But now I've opened up my eyes  
And found it's all been just a great big fairytale

I've been lovin' you so long  
Don't think I'd even know how to forget you  
But now the way that things have been  
I think I'm better off alone  
Than to be with you

There's no need to explain anymore  
I tried my best to love you, now I'm walking out the door  
You used me, you deceived me,  
And you never seemed to need me  
But I'll bet you won't forget me when I go

Seems like I've been lost in a dream  
Pretending you were mine  
Someday you'll open up your eyes  
And realize that a good man's hard to find
