His Hand In Mine

Elvis Presley

You may ask me how I know my Lord is real (my Lord is real) You may doubt the things I say and doubt the way I feel (the wa y I feel) But I know he's real today he'll always be (he'll always be) I can feel his hand in mine and that's enough for me

I will never walk alone he holds my hand (he holds my hand) He will guide each step I take And if I fall I know he'll understand Till the day he tells me why he loves me so (he loves me so) I can feel his hand in mine That's all I need to know

I will never walk alone he holds my hand (he holds my hand) He will guide each step I take And if I fall I know he'll understand Till the day he tells me why he loves me so (he loves me so) I can feel his hand in mine That's all I need to know

I can feel his hand in mine That's all I need to know
