

# Hurt

Elvis Presley

I'm so hurt  
To things that you lied to me  
I'm hurt  
Way down deep inside me  
You said your love was true  
And we'd never, ever part  
Now wants someone new  
And it breaks, it breaks my heart

I'm hurt  
Much more than you'll ever know  
Darling, I'm so hurt  
Because I still love you so  
But... but, even... even though you hurt me  
Like nobody else could ever do  
I would never ever hurt... hurt you
