

# I Can't Stop Loving You

Elvis Presley

I can't stop loving you  
I've made up my mind  
To live in memory  
Of a such a long lonely time

I can't stop wanting you  
Well, it's useless, useless to say  
So I'll just live my life  
In dreams of yesterday

Now those happy hours  
They were all we once knew  
They were so long ago  
They still make, make me blue

Well, they say that time  
It heals a broken heart  
Yeah, but time has stood still  
Since we've been apart

I can't stop loving you  
I've made up my mind  
To live in memory  
Of a such a long lonely time

And I can't stop wanting you  
Well, it's useless to say  
So I'll just live my life  
In dreams of yester yesterday, yesterday
