

# I Gotta Know

Elvis Presley

Get up in the mornin'  
Feelin' mighty weak  
A tossin' and a turnin'  
Well, I had ain't no sleep

Oh baby, what road's our love taking  
To romance or heartbreaking?  
Won't you say which way you're gonna go?  
I gotta know, gotta know, gotta know

Nine and nine make fourteen  
Four and four make nine  
The clock is strikin' thirteen  
I think I lost my mind

You know it's gettin' aggravatin'  
How long can I keep waitin'?  
Tell me if you love me--yes or no?  
I gotta know, gotta know, gotta know

Oh, how much I need you  
Have pity on this heart of mine  
Well, if you need and want me too  
I'll be your one and only till the end of time

Saw the fortune teller  
Had my fortune read  
She sent me to the doctor  
Who sent me straight to bed

He said I'm lonesome and I'm lovesick  
I've got my mind on lipstick  
Will you kiss away my cares and woe?  
I gotta know, gotta know, gotta know
