

I'll Hold You in My Heart (Till I Can Hold You in My Arms)

Elvis Presley

I said I'd hold, I said I'd hold,
I said I'd hold you in my heart 'till I can hold you in my arms

Like you've never been held before
Well I'll think of you each day and then I'll dream the night a
way
Oh, 'till you are in my arms once more

The stars up in the sky, you know they know the reason why
I feel so blue 'cause I'm away from you
Yeah I'll hold you in my heart 'till I can hold you in my arms
Oh darling please wait for me

You know the stars up in the sky, you know they know the reason
why
I feel so blue 'cause I'm away, I'm away from you
Yeah I'll hold you in my heart 'till I can hold you in my arms
Oh darling please wait for me

The stars up in the sky you know they know the reason why...
I feel so blue 'cause I'm away, I'm away, I'm away, I'm away fr
om you
I said, I said I'd hold you in my heart, heart, heart 'till I c
an hold you in my arms
Oh darling please wait for me

The stars up in the sky, you know they know the reason why
I, I feel so blue 'cause I'm away, I'm away from you
Yeah, I'll hold you in my heart 'till I can hold you in my arms

Oh darling please wait for me
