

# I'll Hold You in My Heart (Till I Can Hold You in My Arms)

Elvis Presley

I said I'd hold, I said I'd hold,  
I said I'd hold you in my heart 'till I can hold you in my arms

Like you've never been held before  
Well I'll think of you each day and then I'll dream the night a  
way  
Oh, 'till you are in my arms once more

The stars up in the sky, you know they know the reason why  
I feel so blue 'cause I'm away from you  
Yeah I'll hold you in my heart 'till I can hold you in my arms  
Oh darling please wait for me

You know the stars up in the sky, you know they know the reason  
why  
I feel so blue 'cause I'm away, I'm away from you  
Yeah I'll hold you in my heart 'till I can hold you in my arms  
Oh darling please wait for me

The stars up in the sky you know they know the reason why...  
I feel so blue 'cause I'm away, I'm away, I'm away, I'm away fr  
om you  
I said, I said I'd hold you in my heart, heart, heart 'till I c  
an hold you in my arms  
Oh darling please wait for me

The stars up in the sky, you know they know the reason why  
I, I feel so blue 'cause I'm away, I'm away from you  
Yeah, I'll hold you in my heart 'till I can hold you in my arms  
  
Oh darling please wait for me
