

I'm Yours

Elvis Presley

My love I offer you now,
My heart and all it can give,
For just as long as I live I'm yours.
No arms but yours dear will do.
My lips will always be true,
My eyes can see only you, I'm yours.

And as the years roll along
Your joy and tears I'll gladly share,
And when things go wrong dear
Just hold out your hand and I'll be there,
With every beat of my heart,
With every breath that I take,
Now and forever, sweetheart, I'm yours.

And as the years roll along
Your joy and tears I'll gladly share,
And when things go wrong dear
Just hold out your hand and I'll be there,
With every beat of my heart,
With every breath that I take,
Now and forever, sweetheart, I'm yours.
