

# I've Got a Thing About You Baby

Elvis Presley

I've got something to tell you  
That I think you ought to know  
That my eyes are on you baby  
Since a long time ago  
And now I fin'ly got the nerve  
And I'm gonna make my move  
Now don't you try to turn me off  
Cause it's gonna be hard to do

I've got a thing about you baby  
Ain't nothing I can do  
I've got a thing about you baby  
A thing about lovin' you

Ain't it just like a woman  
When she knows she's got a man  
She'll wring you out and turn you 'bout  
In the palm of her hand  
And then she starts to thinkin'  
Then maybe she's put you in a blind  
She'll give you just a little lovin'  
It'll drive you out of your mind

I've got a thing about you baby  
Ain't nothing you can do  
I've got a thing about you baby  
A thing about lovin' you
