## I've Got a Thing About You Baby

I've got something to tell you That I think you ought to know That my eyes are on you baby Since a long time ago And now I fin'ly got the nerve And I'm gonna make my move Now don't you try to turn me off Cause it's gonna be hard to do

I've got a thing about you baby Ain't nothing I can do I've got a thing about you baby A thing about lovin' you

Ain't it just like a woman When she knows she's got a man She'll wring you out and turn you 'bout In the palm of her hand And then she starts to thinkin' Then maybe she's put you in a blind She'll give you just a little lovin' It'll drive you out of your mind

I've got a thing about you baby Ain't nothing you can do I've got a thing about you baby A thing about lovin' you
