It Feels So Right

Elvis Presley

Step in these arms, where you belong It feels so right, so right How can it be wrong?

There's something in the way you kiss That makes me want to hold you tight I know that nothing can't be wrong That feels so right.

Each time we touch, you thrill me so It means so much, so much I can't let you go

This isn't only for tonight We're gonna love our whole life long 'Cause baby, if it feels so right How can it be wrong?
