It Won't Seem Like Christmas

Elvis Presley

Oh, it won't seem like Christmas, oh, without you Far too many miles are between But if I get the one thing I'm waiting for Well then I'll se you tonight in my dreams

Seems a long time since we've been together It was just about to this time of the year Looks like it's gonna be snowy weather How I wish that you could be here

But it won't seem like Christmas, oh, without you Far too many miles are between But if I get the one thing that I'm wishing for Then I'll see you tonight in my dreams

In the distance I hear sleigh bells ringing The holly is so pretty this year And the carol that somebody's singing Reminds me of our Christmas last year
