Judy

Elvis Presley

They say you found somebody new Whose love will always be true I don't know what it is to be alone That's why I dread to know you're gone

Oh, Judy, don't let our sweet love wither and die Like flowers in the fall Oh, Judy, don't you know It's you I love most of all

Oh, please come back
I promise always to be true
Oh, Judy, there'll never be
Anyone else, dear, but you

Oh, please come back I promise always to be true Oh, Judy, there'll never be Anyone else, dear, but you

Oh, Judy, there'll never be Anyone else, dear, but you Oh, Judy, there'll never be Anyone else, dear, but you
