Known Only to Him

Elvis Presley

Known only to him are the great hidden secrets I'll fear not the darkness when my flame shall dim I know not what the future holds But I know who holds the future It's a secret known only to Him

In this world of fear and doubt On my knees I ask the question Why a lonely, heavy cross I must bear Then he tells me in my prayer It's because I am trustworthy He gives me strength far more than my share

Known only to him are the great hidden secrets I'll fear not the darkness when my flame shall dim I know not what the future holds But I know who holds the future It's a secret known only to him
