

## Little Darlin'

Elvis Presley

Little darlin', little darlin'  
Oh where, are you, oo oo oo oo  
Walla walla chipa mocka mogga  
Oh my lover, oh just for you, only you

My darling, I need you  
Darling I need you to call my own  
To hold your life, your little foot, your hand  
I knew someone would understand that  
Hold my hand

My dear, I would run  
To find without you  
Oo oo oo oo oo  
Oh, oo oo oo  
That my love was just for you, 'n only you
