Little Darlin'

Elvis Presley

Little darlin', little darlin' Oh where, are you, oo oo oo oo Walla walla chipa mocka mogga Oh my lover, oh just for you, only you

My darling, I need you Darling I need you to call my own To hold your life, your little foot, your hand I knew someone would understand that Hold my hand

My dear, I would run To find without you Oo oo oo oo oo Oh, oo oo oo That my love was just for you, 'n only you
