

Mystery Train

Elvis Presley

Train I ride... 16 coaches long
Train I ride... 16 coaches long
Well that long black train
Got my baby and gone

Train train coming... round round the bend
Train train coming... round the bend
Well it took my baby but
It never will again - no not again

Train train coming... down down the line
Train train coming... down the line
Well its bringing my baby
Cause shes mine all mine

Train train coming round round the bend
Train train coming round the bend
Well it took my baby but
It never will again - no not again
