

No More

Elvis Presley

No more do I see the starlight caress your hair
No more feel the tender kisses we used to share
I close my eyes and clearly my heart remembers
A thousand goodbyes could never put out the embers

Darling, I love you so, and my heart forever
Will belong to the memory of the love that we knew before
Please, come back to my arms; we belong together
Come to me; let's be sweethearts again and then let us part no
more

No more do I feel the touch of your hand on mine
No more see the love-light making your dark eyes shine
Oh, how I wish I never had caused you sorrow
But don't ever say for us there is no tomorrow

Darling, I love you so, and my heart forever
Will belong to the memory of the love that we knew before
Please, come back to my arms; we belong together
Come to me; let's be sweethearts again and then let us part no
more
