

# One Night

Elvis Presley

One night with you  
Is what I'm now praying for  
The things that we two could plan  
Would make my dreams come true

Just call my name  
And I'll be right by your side  
I want your sweet helping hand  
My loves too strong to hide

Always lived, very quiet life  
I ain't never did no wrong  
Now I know that life without you  
Has been too lonely too long

One night with you  
Is what I'm now praying for  
The things that we two could plan  
Would make my dreams come true

Always lived, very quiet life  
I ain't never did no wrong  
Now I know that life without you  
Has been too lonely too long

One night with you  
Is what I'm now praying for  
The things that we two could plan  
Would make my dreams come true
