

## Paralyzed

Elvis Presley

When you looked into my eyes  
I stood there like I was hypnotised  
You sent a feeling to my spine  
A feeling warm and smooth and fine  
But all I could do were stand there paralyzed  
When we kissed, ooh what a thrill  
You took my hand and, ooh baby, what a chill  
I felt like grabbin' you real tight  
Squeeze and squeeze with all my might  
But all I could do were stand there paralyzed

Oh yeah lucky me, I'm singing every day  
Ever since that day you came my way  
You made my life for me just one big happy game  
I'm gay every morning  
At night I'm still the same  
Do you remember that wonderful time  
You held my hand and swore that you'll be mine  
In front of preacher you said  
"I do" I couldn't say a word for thinking of you  
All I could do was stand there paralyzed.
