

## Rock-A-Hula Baby

Elvis Presley

The way she moves her hips to her fingertips  
I feel I'm heaven bound  
And when she starts to sway, I've gotta say  
She really move the grass around

Rock-a-hula baby  
Rock-a-hula baby  
Got a hula lulu from Honolulu  
That rock-a-hula baby of mine

Although I love to kiss my little hula miss  
I never get the chance  
I want to hold her tight all through the night  
But all she wants to do is dance

I bet that she could teach the palms along the beach  
To sway when breezes blow  
And birds up in the sky could learn to fly  
By watchin' how my baby can go
