

# Runaway

Elvis Presley

As I walk along, I wonder  
What went wrong with our love  
Our love that was so strong

And as I still walk by  
I think off the times we've had together  
While our hearts were young

I'm a-walking in the rain  
Hear it falling and I feel the pain  
Wishing you were here by me  
To end this misery

And I wonder  
(I, I, I, I wonder)  
Yo, baby  
Why?  
(Why? Why? Why? Why? Why?)

You went away  
And I wonder where you will stay  
My little runaway  
Run, run, run, run, runaway

I'm a-walking in the rain  
Hear it falling and I feel the pain  
Wishing you were here by me  
To end this misery

I wonder  
(I, I, I, I wonder)  
Yo, baby  
Why?  
(Why? Why? Why? Why? Why?)

You went away and I wonder where you will stay  
My little runaway  
Run, run, run, run, runaway  
Run, run, run, run, runaway  
Run, run, run, run, runaway
