There was a man, a lonely man
Who lost his love through his indifference
A heart that cared that went unshared
Until it died within his silence

And Solitaire is the only game in town And every road that takes him, takes him down While life goes on around him everywhere He's playing Solitaire

And keeping to himself begins to deal And still the King of Hearts is well concealed Another losing game comes to an end And deals them out again

A little hope goes up in smoke Just how it goes, goes without saying There was a man, a lonely man Who would command the hand he's playing

And Solitaire is the only game in town And every road that takes him, takes him down While life goes on around him everywhere He's playing Solitaire

And keeping to himself, begins to deal And still the King of Hearts is well concealed Another losing game comes to an end And deals them out again

And Solitaire is the only game in town And every road that takes him, takes him down Life goes on around him everywhere He's playing Solitaire
