Sweet Angeline

Elvis Presley

Sweet Angeline I loved you much more than poets say in rhyme Just for one short time Sweet Angeline remember though we've not seen the summer throug h I lived only for you I'm only human and I realize it's no use trying to disguise My love for you Angeline has ended So let's be thankful now not sad For the little love we've had Sweet Angeline remember though we've not seen the summer throug h I lived only for you I'm only human and I realize it's no use trying to disguise My love for you Angeline has ended So let's be thankful now not sad For the little love we've had
