

The Girl of My Best Friend

Elvis Presley

The way she walks
The way she talks
How long can iiii pretend
Oh I can't help it I'm in loooooove with the girl of my best friend.

Her lovely hair
Her skin so fair
I could go on and never end
Oooh I can't help it I'm in loooooove
With the girl of my best friend.

I want to tell her how I love her so
And then hold her in my arms but then
What if she got real mad and told hiim
I could never face either one again

The way they kiss
Their happiness
Will my aching heart ever mend

Or will I always be in loooooove
With the girl of my best friend.

Never end
Will it ever end
Please let it end.
