

# Tonight Is So Right for Love

Elvis Presley

Hold me tight  
The moon's so bright  
Tonight is so right for love

Now's the time to say  
You're the only one  
Tonight is so right for love

One by one the stars appear  
They twinkle in your eyes  
Who'd believe that we'd be here  
So near to paradise?

This could be the kiss  
To unlock heaven's door  
That magic hour of bliss  
That we both waited for  
I love more and more

Oh, we could fly right up to the sky  
The things we've been dreaming of  
And how real they would seem  
A midsummer-night's dream  
Can't you see that tonight's so right for love?

And how real they would seem  
A midsummer-night's dream  
Can't you see that tonight's so right for love?

Hold me tight  
The moon's so bright  
Tonight is so right for love
