Treat Me Nice

Elvis Presley

When I walk through that door Baby be polite You're gonna make me sore If you don't greet me right Don't you ever kiss me once, kiss me twice Treat me nice

I know that you've been told It's not fair to tease So if you come on cold I'm really gonna freeze If you don't want me to be cold as ice Treat me nice

Make me feel at home If you really care Scratch my back and run your pretty Fingers through my hair

You know I'll be your slave If you ask me to But if you don't behave I'll walk right out on you If you want my love then take my advice Treat me nice
