

## Vino, Dinero y Amor

Elvis Presley

Viva el vino, viva el dinero  
Viva, Viva

El amor  
I like to drink wine, and money is fine  
But I like the girls even more  
Viva el vino, viva el dinero, viva, viva el amor

Some pesos you pass, put wine in her glass  
And soon she will say "si, senor"  
Viva el vino, viva el dinero, viva, viva el amor

With wine on your lips and money in your pocket  
And your sweetheart in your arms  
You're rich as you can be  
So lift up your glass; let's sing it all together  
Muchachas, caballeros, make this toast with me

We'll drink one more time with money and wine  
Let's drink to the girls we adore  
Viva el vino, viva el dinero, viva, viva el amor

Sing one more time, money and wine  
Let's sing to the girls we adore

Viva el vino, viva el dinero, viva, viva  
El amor
