

## We're Comin' In Loaded

Elvis Presley

Ooh yes we're comin' in loaded, Ooh yes we're comin' in loaded  
I'll hold the boat steady brother like a rock  
Full speed a head until we hit the dock  
We're heading for home, the fishing was great  
We're comin' in loaded 'cause we're all out of bait  
Well, well, well, well, well  
Oh well now yeah!

We gottem packed to the water-line  
Some got away but the catch was fine  
Never saw such big ones, m'man oh man,  
We're comin' in loaded just as fast as we can  
Well, well, well, well, well  
Oh well now yeah!

I'm gonna see my baby soon as I get back  
Knock on the door with my pockets packed  
She'll look at me well she can't say no  
We're comin' in loaded so come on let's go  
Well, well, well, well, well  
Oh well now yeah!  
Oh well now yeah!  
Yeah! we're comin' in loaded
