

## What's She Really Like

Elvis Presley

What's she really like  
The girl that you see me with?  
What's she really like  
The one I'm so dreamy with?  
Well, let me tell you she's wonderful  
She's marvelous and she's mine

Told her that her lips, her lips are so thrillable  
I can't describe her kiss in words of one syllable  
She's even more than desirable  
And what's moreable she's mine

What's she really like  
The girl I go on about?  
What's she really like  
The one I'm so mad about?  
All I can say: she's wonderful  
She's marvelous and she's mine

You're asking if she loves me  
Well, you don't know the half  
You're wondering if she'll leave me  
Ha, ha, ha, don't make me laugh

What's she really like  
The girl I go on about?  
What's she really like  
The one I'm so gone about?

All I can say: she's wonderful  
She's marvelous and she's mine
