What's She Really Like

Elvis Presley

What's she really like The girl that you see me with? What's she really like The one I'm so dreamy with? Well, let me tell you she's wonderful She's marvelous and she's mine

Told her that her lips, her lips are so thrillable I can't describe her kiss in words of one syllable She's even more than desirable And what's moreable she's mine

What's she really like The girl I go on about? What's she really like The one I'm so mad about? All I can say: she's wonderful She's marvelous and she's mine

You're asking if she loves me Well, you don't know the half You're wondering if she'll leave me Ha, ha, ha, don't make me laugh

What's she really like The girl I go on about? What's she really like The one I'm so gone about?

All I can say: she's wonderful She's marvelous and she's mine
