

## Where Do I Go from Here?

Elvis Presley

If I knew the way I'd go back home  
The countryside has changed so much I'd surely end up lost  
Half-remembered names and faces so far in the past  
On the other side of the bridges that were burned once they were crossed  
Tell me where, where does a fool go when there's no-one left to listen  
To a story without meaning that nobody wants to hear  
Tell me where, where does a fool go when he knows there's something  
Missing  
Tell me where, where will I go from here  
Where will I go from here  
Get back home where my childhood dreams and wishes still are none of my  
Regrets  
Go back to a place where I can figure all the odds  
Have a fighting chance to lose the blues and win my share of bets  
Tell me where, where does a fool go when there's no-one left to listen  
To a story without meaning that nobody wants to hear  
Tell me where, where does a fool go when he knows there's something  
Missing  
Tell me where, where will I go from here  
Where will I go from here  
Tell me where, where does a fool go when there's no-one left to listen  
To a story without meaning that nobody wants to hear  
Tell me where, where does a fool go when he knows there's something  
Missing  
Tell me where, where will I go from here
