

## Wolf Call

Elvis Presley

Flip, flop with kay-eye  
What a cutie pie I see  
Oops, shoopa, doo-wah  
Lips of honey that's for me

Shim, sham, shimmy  
Wanna howl and shout!  
I'm out to get you, baby, and that's no doubt  
I saw you standing 'gainst the wall  
I whistled and I gave my all  
Now don't tell me you don't fall  
For that wolf call

Just a little kiss'll put me in a whirl  
I'll never whistle, baby, at another girl  
You love me well, we'll have a ball  
Why do you try to stall?  
Now don't tell me you don't fall  
For that wolf call  
For that wolf call  
For that wolf call
