

## Fountain Of Life (pt. 2)

Elysia

As long as the fountain of life can't flow, no man will ever know what it's like to have to struggle through life in constant strife.

Where they feel superior and empowered, I feel humbled  
And where they see failure and weakness, I see beauty and grace  
through the bleakness

I will fight for you when their power strikes you down  
When on your back and no help's around  
When your courage has been so degraded, no hope is found.
