

Incinerate

Elysia

YOWWWWWWWWWwww

In the end you will be laid to rest where you belong
Bathed in the flames
For your hatred, your ignorance
You're the symbol of masculinity, a true King Kong

Eeeeeeee

I WILL STAND UP FOR THOSE WHO'VE SUFFERED (6x)
I will stand up for those who have suffered
Been crucified by your insecurities (2x)

You can't say what love is
When you're castrated!

FUCKERS

HATCHETS CASTRATING THE FUCKERS

THIS VOICE!
That I've been given
I will use to crush bigotry
And defeat intolerance!
With bodies ablaze, bodies ablaze
MOTHERFUCKER
Sadly no ones,
There to push you in the flames
So throw another stick in...

And I swear
With every ounce of strength I have
I WILL BURN YOU ALIVE

In the sticks lays your worthless body
Screaming
Keep fucking screaming

And with your eyeballs boiling...

WHO'S THE FUCKING FAGGOT NOW
