Fountains On Fire

Elysian Fields

Last night in my dream I traveled for years and years Galaxies, centuries No one was there it was bare and arid Red earth, eternal dust Had to keep moving Walked for miles Fusing force broke the dials Now I'm there in the distance Heard them ringing Felt it stinging my insides Saw the trembling white Fountains on fire I've arrived Swallowed the spray Erase my face Kiss the curb Met the andrange dream Torch the final curtain Change my destiny In a shivering light Bathing in the shimmering white Fountains on fire I've arrived Down
