

Erase Me

Elysion

I hear noises in the dark
And hope I only dream
My head is the only place
Where I can hear myself

All I do is breathing in
All I do is breathing out

Erase me
From all hoping and dreaming
And wishing on stars
Erase me
Into lonesome obsessions
And unhealing scars
Erase me
There is no other dawn
I am longing to see
Erase me...

I'm near but my heart is cold
My eyes can't hold the tears
I'm here and my mirror shows
My childhood's ghastly fears

I'm near but my heart is cold
My eyes can't hold the tears
I'm here and my mirror shows
My childhood's ghastly fears

Erase me
From all hoping and dreaming
And wishing on stars
Erase me
Into lonesome obsessions
And unhealing scars
Erase me
There is no other dawn
I am longing to see
Erase me...

What if I want to fade away?
Making mistakes I've always made... (4x)
