

Made Of Lies

Elysion

What if I wanted to stay away?
What if I wanted to run and hide?
Vows and promises break, oh, hey no.
It always ends like this.
Earth to earth.
Ashes to ashes.
Dreams to crumbles
and love to dust.
Earth to earth
Ashes to ashes
Dreams to crumbles
and love to dust Deep in my heart I've been prayin', cravin'
for someone like you to come and stay.
Innocence died in my childhood.
I would trust you, but I'm afraid.
Earth to earth.
Ashes to ashes.
Dreams to crumbles
and love to dust.
Earth to earth.
Ashes to ashes.
Dreams to crumbles
and love to dust Can you heal this human nature wound?
Can you feel for all eternity?
Can you speak for once what is the truth?
Can we rise from our identity?
(This is what lies are made of)
Lies is what we are made of.
Earth to earth.
Ashes to ashes.
Dreams to crumbles
and love to dust.
Earth to earth.
Ashes to ashes.
Dreams to crumbles
and love to dust.
Earth to earth.
Ashes to ashes.
Dreams to crumbles
and love to dust.
Earth to earth.
Ashes to ashes.
Dreams to crumbles
and love to dust Lies is what we are made of
Lies is what we are made of
