

Re

Emarosa

I'm feeling like I'm high enough now
And you love what I love but you're sane enough now

And I don't deserve you

And it all comes down we lost you
I think we'll meet again (just say yes, say yes)
And I don't deserve you
And it all goes down without you
I think we'll meet again (just say yes, say yes)

I'm watching you die a little
Watching you cry... a lot
This is my apology, I'm feeling lean
You know you matter so much to me

And I don't deserve you

Only the fall is mine, and I'm feeling it's more than fine
And I don't deserve you
Only the fall is mine, and I'm feeling it's more than fine

But I'm stuck sad and saying we can try it again
You've got your head in your hands, I am giving in
You want to talk... and I'm giving up
But I'm stuck sad and saying we can try it again (I don't mind where you're going)
You've got your head in your hands, I am giving in (the remedy, remedy's the same)
You want to talk... and I'm giving up

I don't mind, now you know me
(I can't lose you)
The remedy, remedy's the same
(I can't lose you)
Don't you worry mama, your boy is a goner
(I can't lose you)
Don't you worry mama, your boy is a goner
(I can't lose you)

And I don't deserve you (You'll find out you are strong)

Hey young lonely
Hey young lonely
Is it all okay?
You'll find out you are strong
And I don't deserve you
Hey young lonely
Hey young lonely
Is it all okay?
You'll find out you are strong
And I don't deserve you

And it all goes down without you
This is the last night in my body
You'll find out you are strong
And I don't deserve you

And it all goes down without you
This is the last night in my body
You'll find out you are strong
And I don't deserve you

Only the fall is mine
Hey young lonely
Hey young lonely
And I don't deserve you
Only the fall is mine
You can push harder
Is it all okay?
I don't mind where you're going
The remedy, remedy's the same
