

# The Weight of Love Blinds Eyes

Emarosa

I wanted to believe,  
That I could be anyone.  
What I'm hoping when I'm not alone.  
And obviously, there's no danger in having hope,  
Having hope in anyone but me.

On a better day, I would be way more awake.  
Falling off, losing faith.  
If it's all the same, I will just take my things anyway.

If this is love, if this is love,  
Then I would run far,  
Run fast,  
From me.  
Forgive me if I leave the keys.

(Ohh.. Ohh.. Ohh..)

I knew I would let you down.  
I'll betray your confidence,  
How much do you trust me now?  
None.

Well everyone else here sees,  
Your eyes, they can't perceive me.  
I hate the sound of your voice,  
Cause it still haunts me like a ghost.  
But I know that I'm to blame,  
Cause I've never been anyone else.  
And I'm not numb cause I'm like your way,  
Cause I know I'll never change.

If this is love, if this is love,  
Then I would run far,  
Run fast,  
From me.

I never said I was an Angel,  
There's a simple explanation for it all.  
It's all my fault.

The snow melts away,  
I'm close to the ending now.  
I don't want to be saved.

If this is love, if this is love,  
Then I would run far,  
Run fast,  
From me.  
Forgive me if I leave the keys.
