

# Young Lonely

Emarosa

I forgot the wait time  
For talking back and letting you choose  
Can I grow, can I leave it alone?  
I'm thinking that I want you to

I can lie, I have my father's eyes

Hey young lonely  
Hey young lonely  
Is it all okay?  
You'll find out you are strong  
Hey young lonely  
Hey young lonely  
Is it all okay?  
You'll find out you are strong

Following you had me dead in my head  
I'm dead in my home  
But I can't remember what it is (what it is)  
About you  
Checking the heart, checking into my hope  
Watching the lines when I'm blood sucking with you

I can lie, I have my father's eyes

Hey young lonely  
Hey young lonely  
Is it all okay?  
You'll find out you are strong  
Hey young lonely  
Hey young lonely  
Is it all okay?  
You'll find out you are strong

Make me a martyr  
Make me a martyr

Make me a martyr  
Make me...

Hey young lonely  
Hey young lonely  
Is it all okay?  
You'll find out you are strong  
Hey young lonely  
Hey young lonely  
Is it all okay?  
You'll find out you are strong

Make me a martyr (you'll find out)  
Make me a martyr (you're strong)  
Make me...  
You'll find out you are strong

Make me a martyr (Hey young lonely)  
Make me a martyr (Hey young lonely)  
Make me... (Is it all okay?)

You'll find out you are strong
