

Chloe

Emblem3

Chloe, I know your sister turns everyone on
But you're the one I want
But you're the one I want, yeah, yeah

Front page magazine
Everybody says that she's a queen
But that's you to me
And I just want to let you know that
She likes the flashing lights
I love the way that you like candle light
Stay close by my side
I just want a chance to show that

(but you're the one I want)
If only you could believe in yourself in the way I believe in you
I-I do
(but you're the one I want)
If only you could see all of the beautiful things that I see in you
It's true-oo-oo-oo

Chloe, I know your sister turns everyone on
But, oh, baby, I have no doubt you're the one that I want (ooh-ooh-oo)
You think she's got it all but that don't make her better (ooh-ooh)
You got my heart and that's the only thing that matters
Chloe, I know your sister turns everyone on
But you're the one I want
But you're the one I want, yeah

Fast lanes, limousines
Baby, there can be no guarantees
But if, you're with me, you know I can guarantee that
Cause I'm attracted to your passion,
Be yourself, forget the fashion
Just keep that smile on your face
You and I deserve to be forever ever lasting

If only you could believe in yourself in the way I believe in you
I-I do (but you're the one I want)
If only you could see all of the beautiful things that I see in you
It's true-oo-oo-oo

Chloe, I know your sister turns everyone on
But, oh, baby, I have no doubt you're the one that I want (ooh-ooh-oo)
You think she's got it all but that don't make her better
You got my heart and that's the only thing that matters
Chloe, I know your sister turns everyone on
But you're the one I want, yeah
But you're the one I want, yeah

All you Chloe's,
All you Chloe's
They don't show you love enough (hoo-hoo-hoo-hoo)
All you Chloe's
You should know that you're my diamond in the rough
It's true-oo-oo-oo

Chloe, I know your sister turns everyone on
