

## Forever Young

Emblem3

Let's dance in style,  
Let's dance for a while  
Heaven can wait  
We're only watching the skies  
Hoping for the best  
But expecting the worst  
Are you going to drop the bomb or not?

Let us die young or let us live forever  
We don't have the power  
But we never say never  
Sitting in a sandpit,  
Life is a short trip  
The music's for the sad men

Forever young,  
I wanna be  
forever young  
Do you really want to live forever,  
Forever,  
forever young

Some are like water,  
Some are like the heat  
Some are a melody and some are the beat  
Sooner or later they all will be gone  
Why don't they stay young

Forever young,  
I wanna be  
forever young  
Do you really want to live forever,  
Forever and never

Forever young,  
I wanna be  
forever young  
Do you really want to live forever,  
Forever,  
forever young
