

Crucifixion

Up on the cross dying for sins fulfilling prophecy  
Beaten for His faith praying for enemies upon sacrifice  
Forsaken in the eyes of God sins of man to Him were taken  
Innocent and blameless death without purity  
Place of the skull golgotha death of the Son  
Descend into misery His death to bring us life  
Covered in the Blood supreme sacrifice bridging the gap  
Between God and man  
Flesh torn, humility  
Blood flows purely from the Cross of Calvary  
Defying death rose from the grave to show it is finished  
To show all before the ascension to empyrean  
Atoning is the Blood of Jesus Christ  
Give in to Him live in the Blood of Christ  
He rose, He rose, He rose, He rose, He rose  
Resurrection
