

Standing breathless before the throne of Christ  
Judgement has fallen leaving you crying why God why  
Where is your savior?

Mindless follower  
Bow to your altar of mockery now it is time to face truth  
You have been lied to constantly

Truth is in Christ soon you will see  
Your pagan religion is full of deception  
You cannot conceive eternal damnation

Satan has led you away from redemption  
The blood of the Son is your only salvation  
Liar leading the weak to burn with you in hell

Lucifer you will lose, you were overthrown  
Defeated since beginning  
Your anger fueled with envy

God's perfect image you set out to destroy  
But you're unsuccessful your end is now approaching  
Heed prophecy you were warned
